

Hard Rock for Tonight

Passion & Beer - 2009

Hard Rock for Tonight
Hard Rock for Tonight

You used to be a nice boy
There were things you didn't know
But something's are always changing
For someone like you

You passed through some bad times
But you're now alright
Just a few things really matters
In our pathetic life

So it's time to play
Play aloud every day
Then you now understand
You have to spread it to whole world and make it right

Hard Rock for Tonight
Hard Rock for Tonight
We want Hard Rock, Hard Rock

Every day you live
It's a thing to be proud
Live it, there's no tomorrow
And everything is allowed

So it's time to play
Play aloud every day
Then you now understand
You have to spread it to whole world and make it right

Hard Rock for Tonight
Hard Rock for Tonight
We want Hard Rock, Hard Rock

So it's time to play
Play aloud every day
Then you now understand
You have to spread it to whole world and make it right

Hard Rock for Tonight
Hard Rock for Tonight
We want Hard Rock, Hard Rock
