Passion & Beer - 2009

Once upon a bunch of youth  
Wanted fortune, fame and succes  
And none to regret

Playing loud, driving in the states  
All the fans are screaming in the night of the show  
A fucking good fate

Oh, a hard rock band is passion and beer  
Oh, the flame of hard rock, the core of our lives  
A hard rock alliance!

Once upon a bunch of youth  
Wanted fortune, fame and succes  
And none to regret

Playing loud, driving in the states  
All the fans are screaming in the night of the show  
A fucking good fate

Oh, a hard rock band is passion and beer  
Oh, the flame of hard rock will get you...
